SIMPLICITY

QUALITY

COMFORT

BRIGHT LIGHT RADIOLOGY strives to simplify outpatient diagnostic imaging for patients and physicians while providing the utmost in quality.

Our goal is to provide a comfortable and nurturing setting with the well-being of our patients as our top priority. As a free-standing clinic we offer patients a relaxed atmosphere at a convenient location.

Our Radiologists have over a century of combined experience in medical imaging and have built a strong reputation among referring physicians for providing timely, high-quality and accurate interpretations of medical imaging exams. We understand the substantial added benefit of personal communication of complex findings to the referring physicians and clear, concise reporting of results with well thought-out recommendations for further diagnostic strategies. You can rest assured, that your better health is our guiding light.
